

Hinstock Manor Care Home

We offer residential care as well as specialist care for those who have dementia or just require the care and comfort of a warm and friendly environment.

Visitors are welcome at any time to come and have a look around without prior arrangements, just drop in.

If you are considering permanent care for your loved one, why not start with a 'free of charge' taster day, where your loved one will have the opportunity to sample our lunch menu and spend the whole day getting to know our residents and meet the team.

If you wish to spend the day with us, simply phone Diana or Clare on 01952 550242 to discuss a day and time for you to visit us and where a warm welcome awaits your loved one.

We look forward to hearing from you.
